

Speaking Engagements

An accomplished and dynamic public speaker, Margaret Seidler is available for presentations to groups, both large and small. Her speaking services include:

Keynotes to:

- Raise awareness about how strengths become weaknesses
- Experience the excitement of expanded viewpoints
- Shine a light on what's been holding people back or getting in their way
- Help leaders discover new ways of approaching the complexities of leadership life

Conference Seminars to:

- Supplement what you've already mastered
- Build your leadership skills in new ways
- Identify and create a game plan to manage your strengths over-time to improve performance
- Create better leadership and bottom-line results
